THE CLOOTIE WISH TREE

New Year is about your resolutions and wishes for what's to come in 2018 and each year at Fire and Light we celebrate this in different ways. This Fire and Light we have provided you with a piece of cloth, we encourage you to write your wish onto this cloth in advance of the event and hang it onto the Cloutie Wish Tree during the event.

When the wind blows through the tree your wish will be released and carried off to be fulfilled!

Don't worry if you didn't receive your cloth, we will have more available at the event.
